

Mini-Guide Series

Registering for PIMS v2.0

- 1) Enter the user name and password you used to register for PIMS v1.0, and click “Log in”

A screenshot of a login form with a dark green background. It features two white input fields: the top one is labeled "Login" and the bottom one is labeled "Password". Below the fields is a "Log in" button. At the bottom, there is a "Remember me?" checkbox and a link that says "Forgot your password? [Click Here](#)".

- 2) Enter your email address, and your new password.

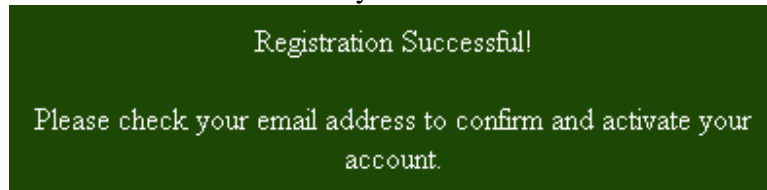

A screenshot of a registration form with a dark green background. At the top, it says "PIMS is moving to a new login system. Please enter your email address and a new password now in order to migrate your account." Below this, it says "Please use these credentials for future PIMS logins." and "Your email address will now be your new login." The form has three white input fields: "Email (new login)", "New Password", and "New Confirm Password". A "Register" button is located at the bottom right of the form.

- 3) Click the “Register” button

- 4) Follow the instructions and check your email.

- 5) Click the link provided in the email.

- 6) Enter the password you used to register with in step 2, and click “Log in”
